

FBA & BIP Training

9/17/21

MSSE is offering a free virtual FBA/BIP Training on Friday, September 17th from 12:00 – 3:00. Remote into this training and learn about the importance of data, data collection procedures, the ABC's of changing behavior, the FBA process, and how to develop a compliant BIP that can be implemented with fidelity. To register for this or any MSSE training go to the MSSE website and click on News & Events/Professional Development/Register. I have included this link below for your convenience. If you have any questions or would like to learn more about what this training has to offer contact Lyn Becker at lyn.becker@midstatespec.org
